Work Experience

Research Analyst

Hall & Partners

01/21 – Present

- Conducted evaluations in order to understand the response and opinions of a wide variety of advertising campaigns e.g. Federal Government.
- Managed suppliers and clients to ensure deliverables were delivered on time and to a client's exact specifications.
- Created insightful reports that provided clients with clear, concise, and actionable recommendations.
- Proactively looked for ways to improve efficiency and effectiveness in working processes.

Insight Analytics Consultant

DBM Consultants

04/19 – 01/21

- Used Australia's largest B2B financial syndicated dataset in order to create crucial metrics for Australia's largest financial institutions.
- Conducted regression analysis for clients to gain valuable insights in order to help them achieve their objectives.
- Conducted segment analysis to create a more understandable customer base for clients and help increase marketing efficiency.
- Worked with clients to discover the best use of data analysis to match their specific needs.

Table Games Dealer

Crown Resort & Casino

09/16 – 03/19

- Developed resilience and focus through working a 24 hour work rotation.
- Interaction with an interchangeable and unpredictable client base presented issues during every shift, creating new challenges that had to be solved every shift.
- Quick use of complicated maths required at all times, while maintaining an enjoyable environment for patrons.
- Proficient in dealing Poker and Roulette.
